About NQ Designs Pvt Ltd

NQ Design Pvt. Ltd. is a multidisciplinary design firm specializing in architecture, construction, and interior design. Founded by Mrs. Nida Qadir, the company is built on a vision of creating spaces that are not only visually stunning but also structurally sound and deeply functional.

With a team of skilled architects, engineers, and consultants, NQ Design offers end-to-end project solutions—from concept development and planning to construction and interior finishing. Whether it's residential, commercial, or hospitality spaces, the firm is committed to delivering designs that reflect quality, innovation, and timeless appeal.

At the heart of every project lies a client-centric approach, ensuring each space is tailored to the unique lifestyle, needs, and aspirations of those who inhabit it. With a growing portfolio and a reputation for excellence, NQ Design continues to redefine modern living and working environments across the region.

Managing Director

As the Founder and Managing Director of NQ Design Pvt. Ltd., I've always believed that great design is where vision meets purpose. With a background in architecture, construction, and interior design, my goal has been to lead projects that are not only aesthetically beautiful but also deeply functional and enduring.

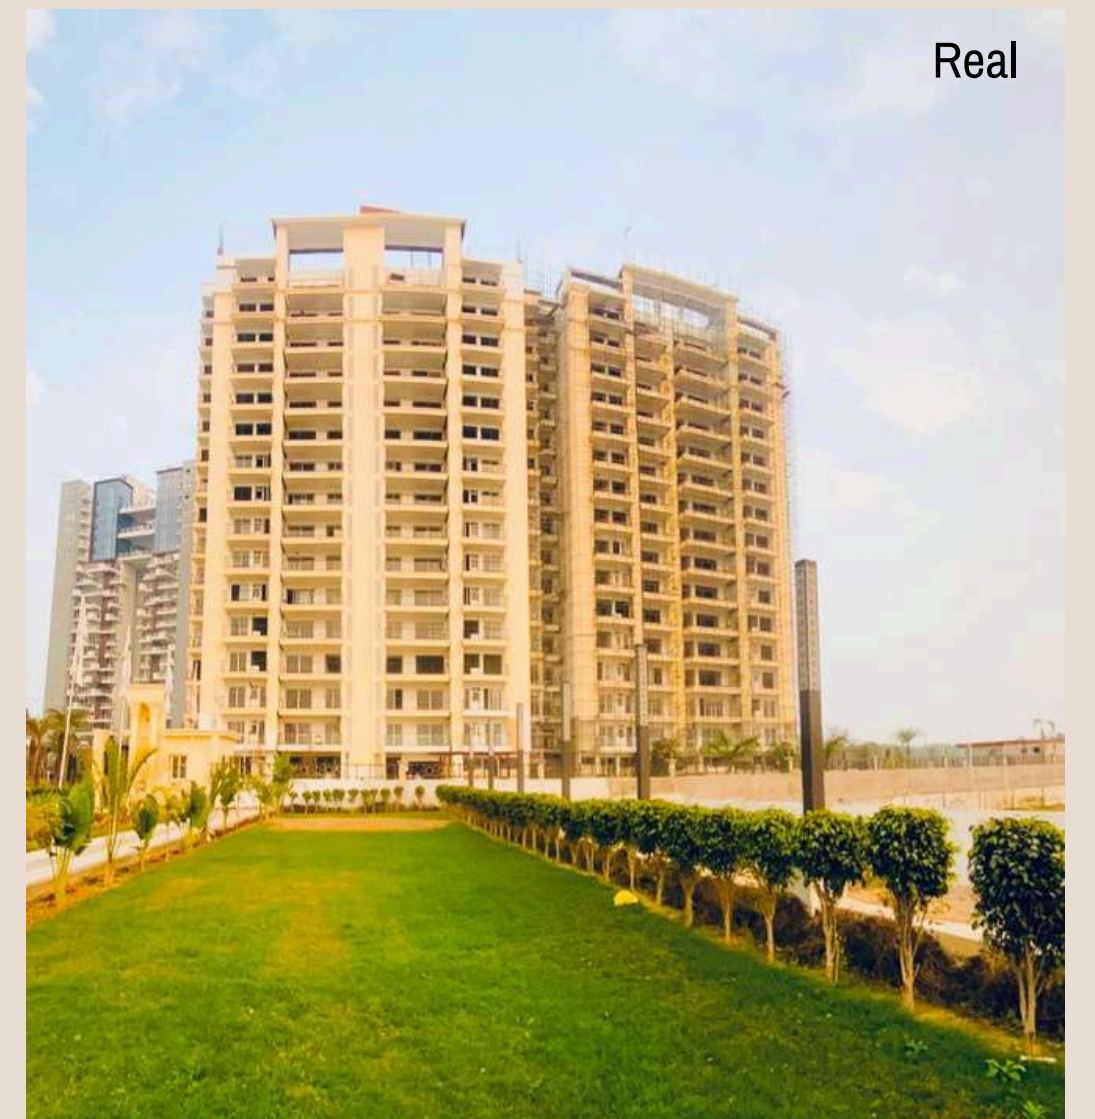

At NQ Design, I work closely with our clients and team to ensure each space we create reflects elegance, efficiency, and individuality. From structural planning to the final interior touches, I'm passionate about turning ideas into timeless environments that enhance how people live and work.
